### Preservation Training Program

Woodlawn Cemetery is now recruiting for its Spring 2020 cohort of the Woodlawn Preservation Training Program, held in partnership with The Door. Each spring, the program selects 20 interns to receive specialized hands-on training in masonry and restoration under the guidance of a Resident Craftsman. The PTP is a paid ten-week career training and job placement program which focuses exclusively on the restoration and preservation of stone typically found in historic cemeteries.

Start a new career.
